

# Alex Spore, Leave

It's fine with me if you wanna leave,  
It's fine with me as long as you see,  
All that you've given up,  
It's all run dry my, lovin cup.

It's alright now that you're with Chris,  
It's ok, i relize i was a total miss.  
You don't like me anymore,  
You thought our date, you thought it was a total bore

But i want you to know,  
That i deserve a second chance.  
And i want you to know,  
I need you here with me even after everything you said.

You say you don't wanna talk to me,  
The next day you're having me over for tea.  
You said, our love's on block,  
Then we sit for hours and we talk and,

I want you to know,  
I deserve a second chance.  
And i want you, i want you to know,  
I need you here with me even after everything you said.

It's fine with me if you wanna leave,  
It's fine with me as long as you see,  
All that you've given up,  
It's all run dry my, lovin cup.

I think it's time for you to leave,  
I've had enough of you and me.
