Alex To  
Miscellaneous  
Sha la la  
I thought I had no chance  
Thought I never find romance  
There's an empty space still left in my heart  
Then you came alone  
Giving lyrics to my song  
I'll never be alone in the night  
Girl as long as you're there holding me tight  
I'm so involved with you  
My heart is in your hand  
So now you understand

Sha la la  
You are the only one I dream of  
Sha la la  
You are the one that makes me feel love

I know it's a new day  
Cause I've never felt this way  
You can see it by the smile on my face  
There's no reason why  
I can't keep you satisfied  
You look at me and I look at you  
I know automatically what to do  
Girl just close your eyes and I'll take you there  
Just throw away your cares

Sha la la  
You are the only one I dream of  
Sha la la  
You are the one that makes me feel love
