

# Alexander Rybak, Leave Me Alone

It started with a call,  
I stupidly answered  
You said you've got my number from one of the dancers  
You've waited right outside,  
You had something of mine  
But then I saw your eyes,  
Your crazy eyes  
Now you've got me into something very sick and twisted  
An evil kind of game I didn't know existed  
You travel overseas,  
To terrorize me  
And I don't understand,  
Why can't you let me be?

Believe me when I say you stupid fool  
You're scaring me to death, that's not cool  
Why won't you leave me alone,  
Just leave me alone  
You crazy!  
Leave me alone  
I'm begging you to stop and think this through  
It's time to start a play with someone new  
Why won't you leave me alone,  
Just leave me alone  
You crazy!  
Just leave me alone

You're scaring my mom and dad,  
Scaring off my girlfriend  
You're waiting by my door early in the morning  
I've told you many times  
Don't follow me at night  
You're poisoning in my life  
Just tell my why?

Believe me when I say you stupid fool  
You're scaring me to death, that's not cool  
Why won't you leave me alone,  
Just leave me alone  
You crazy!  
Leave me alone  
I'm begging you to stop and think this through  
It's time to start a play with someone new  
Why won't you leave me alone,  
Just leave me alone  
You crazy!  
Just leave me alone
