

Alexander Skip Spence, Books Of Moses

Books of Moses, bringing stone news
Wet in the water, weeping in the sun
Books of Moses, got some splinters didn't you
Books of Moses, brought me right here back to you
Flaming heart, ain't it sweet?
Lighting the world at your feet
Books of Moses, myth and truth
Books of Moses, bring me back to you
Hero's welcome, there stands your king
Where the serpent shudders and the angels sing
Books of Moses, happening again
Yes, he knows us, well, welcome him, your friend
Books of Moses, bringing stone news
Wet is the water, blood covering the sun
Books of Moses, myth and truth
Books of Moses, bring me back to you
