

# Aleyna Tilki, Retrograde

Every night i prayed for clarity  
All while you were lying right here next to me  
You barely even noticed i was losing sleep  
Barely even noticed you were losing me

Don't say shit t me  
Don't say word to me  
Don't ask me to change  
Don't want your heart to break

Words don't hurt no more  
I heard it all before  
Don't ask me to change  
Don't want your heart to break  
Don't want your heart to break  
Don't want your heart to break

Ain't going backwards now  
Ain't going backwards now  
Ain't going retrograde  
Ain't going retrograde  
Ain't going backwards now  
Ain't going backwards now  
Ain't going retrograde  
Ain't going backwards now  
Is it just that you're so damn oblivious?

Or is that you don't take me seriously  
Counting my excuses more than millions  
Baby i am done with it  
done with it  
done with it  
i don't even know what i am doing here

Don't say shit t me  
Don't say word to me  
Don't ask me to change  
Don't want your heart to break

Words don't hurt no more  
I heard it all before  
Don't ask me to change  
Don't want your heart to break  
Don't want your heart to break  
Don't want your heart to break

Ain't going backwards now  
Ain't going backwards now  
Ain't going retrograde  
Ain't going retrograde  
Ain't going backwards now  
Ain't going backwards now  
Ain't going retrograde  
Ain't going backwards now
