

Ali Gatie, Can't Give Up

When the sun don't shine
And the sky's not blue
When the clouds stop crying
Maybe then I'll stop loving you

In my lonely thoughts
I vent to the moon
It's me him and the stars
we're all missing you

Who do I talk to in my sleep?
Is it you , are you haunting me?
Shining so bright , that my eyes can't see
When I dream baby you the one I seek

And When I look up in the sky
I see the stars then I see your eyes
No I don't wanna say goodnight

I'll sing to your shadow even when it gets dark
I'll keep all your secrets tucked inside of my heart
I'm willing to follow you wherever you are
I can't give up on you
Can't give up on you
I can't give up

When the day turns to night
I look in your eyes
I see a part of me that you keep inside

If you tell me to run
I'll walk out your life
But we both know it's not just me that's holding on

Who do I talk to in my sleep?
Is it you , are you haunting me?
Shining so bright , that my eyes can't see
When I dream baby you the one I seek

And When I look up in the sky
I see the stars then I see your eyes
No I don't wanna say goodnight

I'll sing to your shadow even when it gets dark
I'll keep all your secrets tucked inside of my heart
I'm willing to follow you wherever you are
I can't give up on you
Can't give up on you
I can't give up

I'll talk to the voices deep inside of your head
I'll stop you from falling when you're close to the edge
I'm willing to follow you where I've never been
I can't give up on you
Can't give up on you
I can't give up on you
Can't give up on you
