

# Ali Gatie, Can't Let You Go

i can't let you go  
trust me i've tried and  
i swear i am still trying to know  
how to move on  
if somebody told me  
i still wouldn't know where to go  
i's follow the stars  
wish i could see tchem  
the sky feels sod ark  
wehn you're gone  
i'd follwo my heart  
but you took it with you  
the day you walked out of that door

no i can't pretend that you and i had never met  
if moving on means i should forget

they even if i could i wouldn't  
no matter what the proce is i would pat  
don;t matter if i should or shoudln't  
i woulddn't ever give up anyway

long nights of scrying  
i felt liek i was dying every night  
rather keep on fighting  
at least then i go a reason to fight

you gave me hope  
soemthing to hold on  
and look forward for  
and after it all  
you left me with my scars  
ans said that you were never involved
