

# Ali Gatie, Crying In The Rain

I can tell you been crying  
I can tell when you're lying I can see it on your face  
I can hear it in the silence  
That you don't know if we really have what it takes

All you ever needed was a meaning to the words that I said  
But you didn't believe me when I told you that I loved you to death

Oh I never meant to leave you crying in the rain  
I tried  
Said forever now forever feels so faraway  
I tried  
I had my own demons I was fighting so I pushed you away  
Just know I never meant to leave you crying in the rain

Are you still undecided ?  
Are you still tryna find what you'll never replace?  
No matter what; you wont find it..  
What if I told you, I'm ready to change

All you ever needed was a meaning to the words that I said  
I wish you'd just believe me when I tell you that I love you to death

Oh I never meant to leave you crying in the rain  
I tried  
Said forever now forever feels so faraway  
I tried  
I had my own demons I was fighting so I pushed you away  
Just know I never meant to leave you crying in the rain
