==English Translation==

&lt;/lyrics&gt;

On the sleeping rocking horse  
to which I was straddled  
the red ruins of the fairyland  
were incinerated into the moonlit night

Let's go and assist in the retrieval  
of the "me" that is a lost child  
now, even if I capture her with outstretched arms,  
I will feel sadder,  
embracing her, I'm still alone

There are crumbled fish scales  
in this secret house  
behind the unopened door  
where I imprisoned my dreams

Let's go and assist in the retrieval  
of the "you" that is broken  
now, if I can gently  
embrace you  
so softly -- no matter how painful the memories,  
we'll be as two

Can I give pity  
to the "me"; who is without tears?  
can I give radiance  
to those watching eyes?

Let's go and assist in the retrieval  
of the "you"; that is broken  
now, if I can gently  
embrace you,  
even in this noble, sacred land  
we can stand here, just like this

Sobre la mecedora para dormir caballo  
para que se abarcan  
el rojo ruinas de la hadas  
fueron incinerados en la noche la luz de la luna

Vamos a ayudar en la recuperaci&acute;n  
del "yo"; que es un nio perdido  
ahora, incluso si su captura extendida con los brazos,  
Me siento triste,  
abrazando ella, todava estoy solo

No se derrumb&acute; escalas de peces  
en esta casa en secreto  
detr&acute;s de la puerta sin abrir  
donde mis sueos encarcelados

Vamos a ayudar en la recuperaci&acute;n  
la de "usted"; que est roto  
ahora, si se me permite suavemente  
te abrazo  
tan suavemente - no importa c&acute;mo los recuerdos dolorosos,  
seremos como dos

Puedo dar l&iacute;stima  
al "yo"; que es sin l&iacute;grimas?  
puedo dar brillo  
mirando a los ojos?

Vamos a ayudar en la recuperaci&acute;n  
la de "usted"; que est roto  
ahora, si se me permite suavemente  
te abrazo,  
incluso en este noble, tierra sagrada  
podemos estar aqu, al igual que este
