Alice Cooper, Alma Mater

Rain is falling Down my cheek Searching for the sea Tomorrow, like the rain Ill be back home again

I watch The bus

As it pulls out of view Someday like that bus

I will be leavin too

But you know

It breaks my heart

To leave you

Camelback

My high school

And now

Alone

Cryin in my beer

Cause old friends said

Goodbye, I guess III be leavin too

But you know

It breaks my heart

To leave you

Cortez

III miss you

Yes I will

Yes I will

You know I will

Yes I will

Yes I will

You know I will

Well so long

Everybody

I hope that I would see you again

Goodbye

Everybody

I finally grew up

They finally let me out of school

Hey, remember the time - member the time

We took that snake

And put down little Betsys dresss?

Now I dont think Miss Axelrod

Was much impressed

No I dont think Miss Axelrod

Was much impressed

Well I dont think Miss Axelrod

Was much impressed

Oh, goodbye

Everybody

I hope that I would see you again

So long

Everybody

How do you like that

They finally let me out of school

Goodbye

Ah, I wanna get out of here

They let me out of school

How bout that, uh?

Goodbye

Hey, goodbye, guys

Maybe III see -

Maybe III see you around some time, uh?

Ey, dont make a stranger of yourself, uh?

Remember the Coop, uh?

May -I ho -I hope - you dont forget me or nothin Goodbye
