Alice Cooper, Ballad Of Dwight Fry

Mommy, where's Daddy? He's been gone for so long Do you think he'll ever come home?

I was gone for fourteen days I coulda been gone for more Held up in the intensive care ward Lyin' on the floor

I was gone for all those days But I was not all alone I made friends with a lot of people In the danger zone

See my lonely life unfold I see it every day See my only mind explode Since I've gone away

I think I lost some weight there And I, I'm sure I need some rest Sleepin' don't come very easy In a straight white vest

Should like to see that little children She's only four years old, old I'd give her back all of her playthings Even, even the ones I stole

See my lonely life unfold I see it everyday See my lonely mind explode When I've gone insane

I wanna get outta here
I wanna get outta here
I, I've gotta, I've gotta get outta here
I, I gotta get out of here
I gotta get out of here...
Ya gotta let me out of here
Let me outta here...
I gotta get outta here...

See my lonely life unfold I see it everyday See my only mind explode Blow up in my face

I grabbed my hat and I got my coat And I, I ran into the street I saw a man that was choking there I guess he couldn't breathe Said to myself, this is very strange I'm glad it wasn't me But now I hear those sirens callin' And so I am not free

I didn't wanna be
I didn't wanna be
I didn't wanna be
See my lonely life unfold
I didn't wanna be
I see it every day
Leave me alone I didn't wanna be

Don't touch me See my lonely mind explode When I've gone insane
