

Alice Cooper, Beautiful Flyaway

Beautiful flyaway somewhere like holy days wonder what brought me down to earth
Haven't I always been here let's have another nibble later I think I'll disappear into the bishop's hall
And take a look at what we offer DDT poisoning me changing my relativity what's it going to be
Da da da da d da later I think I'll disappear into another room and take a look inside the till
Lovely days human ways journeys that take us to the end aah
Haven't we always been here sharing one love and one fear
Some day you'll know that life is really really all about you
So come and look inside you'll be surprised to find
Later I think I'll disappear into another womb and take a look inside the mens' room
Haven't I given you everything that I could give where do you live aah
