Beautiful Flyaway (Lay Down And Die, Goodbye)

Beautiful flyaway

- Somewhere like Holy Days
- Wonder what brought me back to earth
- Haven't I always been here
- Let's have another nibble
- Later I think I'll disappear into the bishop's hall
- And take a look at what we offer
- DDT poisoning me changing my relativity
- What's it going to be

□da da da da d-da

- Later I think I'll disappear into another room
- And take a look inside the till
- Lovely days, human ways, journeys that take us to the end
- Aah...

- Haven't we always been here
- Sharing one love and one fear
- Some day you'll know that life is really, really all about you
- So come and look inside
- You'll be surprised to find
- Later I think I'll disappear into another womb
- And take a look inside the mens' room
- Haven't I given you everything that I could give
- Where do you live
- Aah...

□[Tom Smothers]

- You are the only censor.
- If you don't like what I say, you have a
- choice. You can turn me off..

□(chainsaw sound)

□[Tom Smothers]

- If you don't like what I say, you have a choice.
- You can turn me off..

- Well I've written home to mother
- The ink ran from my tear
- I said "Momma, momma please
- Tell me why you bore me"
