

# Alice Cooper, Between High School And The Old

Hey hey  
Hey hey  
I guess I'm a loner and I don't fit in (No...)  
I ain't too comfortable in my skin (Oh...)  
An' I don't play well with the others

I'm stuck somewhere between high school and old school  
I can't decide between my rules and your rules

Hey hey  
Hey hey  
Nobody wants me hanging round  
Unless it's from a tree in the middle of town  
And I'm out of step with the others

I'm stuck somewhere between high school and old school  
I can't decide between my rules and your rules  
I'm stuck somewhere between high school and old school  
So I defy maybe all rules maybe no rules

My clothes don't make me  
My hair ain't cut right  
And I don't care much  
No I don't care at all

I guess my brain is out of sync, I think

I'm stuck somewhere between high school and old school  
I can't decide between my rules and your rules  
I'm stuck somewhere between high school and old school  
I can't decide, I just can't decide

Hey hey hey  
Hey hey hey  
Hey hey hey  
Aw...
