

# Alice Cooper, Damned If I Do

Im gonna sign my name  
to full confession.  
It seems the woman I loved last night  
belongs to another man.  
They like to take you home;  
they like to purr and tease you.  
but Im a passionate man,  
and I couldnt leave her alone.  
Cause you are damned if you do,  
damned if you dont;  
damned if you will,  
damned if you wont.  
Sometimes they look so good,  
but dont you letem deceive ya.  
Cause then you find out that they got  
some kind of a venomous mind.  
And the thing thats worse  
is that it all seems worth it.  
Im still a passionate man,  
and she wouldnt leave me alone.  
If you think that being a stud is easy,  
well, now dont ask me, boys;  
I wouldnt know.  
Im a little slow.  
And you are damned if you do,  
and damned if you dont;  
you are damned if you will,  
and your damned if you wont.  
If you think that being a stud is easy,  
well, now dont ask me, boys;  
I wouldnt know.  
Im a little slow.  
Gonna sign my name  
to full confession.  
It seems the woman I loved last night  
belongs to another man.  
They like to take you home;  
they like to purr and tease you.  
and Im a passionate man,  
and I couldnt leave her alone.  
Cause you are damned if you do,  
damned if you dont;  
damned if you will,  
damned if you wont.  
damned if you do,  
damned if you dont;  
damned if you will,  
damned if you wont.  
Ill be damned
