

# Alice Cooper, Damned If You Do

I'm gonna sign my name  
To full confession.  
It seems the woman I loved last night  
Belongs to another man.  
They like to take you home;  
They like to purr and tease you.  
But I'm a passionate man,  
And I couldn't leave her alone.

'Cause you are damned if you do,  
Damned if you don't  
Damned if you will,  
Damned if you won't.

Sometimes they look so good,  
But don't you let'em deceive ya.

'Cause then you find out that they got  
Some kind of a venomous mind.  
And the thing that's worse  
Is that it all seems worth it.

I'm still a passionate man,  
And she wouldn't leave me alone.

If you think that being a stud is easy,  
Well, now don't ask me, boys;  
I wouldn't know.  
I'm a little slow.

And you are damned if you do,  
And damned if you don't  
You are damned if you will,  
And your damned if you won't.

If you think that being a stud is easy,  
Well, now don't ask me, boys  
I wouldn't know.  
I'm a little slow.  
Gonna sign my name to full confession.  
It seems the woman I loved last night  
Belongs to another man.  
They like to take you home  
They like to purr and tease you.  
And I'm a passionate man,  
And I couldn't leave her alone.

'Cause you are damned if you do,  
Damned if you don't  
Damned if you will,  
Damned if you won't.

Damned if you do,  
Damned if you don't  
Damned if you will,  
Damned if you won't.

I'll be damned
