Little Betty ate a pound of aspirin She got them from the shelf upon the wall Betty's mommy wasn't there to save her She didn't hear, hear her little baby call

Dead babies can't take care of themselves Dead babies can't take things off the shelf Well, we didn't want you anyway Lalala-lalalalala-la

Daddy is an agrophile in Texas Mommy's on the bar most every night Little Betty's sleeping in the graveyard Living there in burgundy and white
