Alice Cooper, Earwigs To Eternity

Oh, four years long And oh, what a sigh to hear, my dear Four long years Now we stop to hear a whisper Alice Cooper All of the time we have

All of the time we have you

All of the time we have All of the time we have

We are throwing all of our hands so high

You out there

Singing lovely dittie beautiful song for you to be aware

All of the time we have All of the time we have you All of the time we have

All of the time we have All of the time we have you

You're the one your looking for

Let me in, let me in

Who's there, who's there, who's there
