Hands Of Death (Spookshow 2000 Mix)

□ Creep and crawl inside, to the heart of cold  
□ So dead and paralyzed, perversion of the soul  
□ Seduce the wicked ones, disturb the mortal sting  
□ I am the only one, a dark and dreary thing  
□ I am the blood washing, across the crucified  
□ Yeah so few are chosen, I do not die  
□ I am the whore of fire, I see through sulfur eyes  
□ Your guardian in denial, a genius of the night  
□ In the hands of death, burn baby burn  
□ In the hands of death, burn baby burn  
□ In the hands of death, burn baby burn  
□ In the hands of death, burn baby burn  
□ Creep and crawl inside, into the heart of cold  
□ So dead and paralyzed, perversion of the soul  
□ I'm the blood washing, across the crucified  
□ Yeah so few are chosen, I do not die  
□ In the hands of death, burn baby burn  
□ In the hands of death, burn baby burn  
□ In the hands of death, burn baby burn  
□ In the hands of death, burn baby burn  
□ Burn baby burn  
□ Burn baby burn
