Alice Cooper, Hard Hearted Alice

Nights coast to coast Work hard as a ghost When you live in a countdown Time is free as a jailbird At least that's what I've hearda When you live in a...

Love comes cheap at a swap meet It all comes so dirt cheap When you live in a bedroom Love that's deep as a lever But that ain't a measure When you live in a castle

Mind gets scrambled like eggs Gets bruised and erased When you live in a brainstorm Noise seems logically right Ringing in the night

Hard hearted Alice Is what we wanna be Hard hearted Alice Is waht you want to see [2x]
