Alice Cooper, I Never Cry

If there's a tear on my face It makes me shiver to the bones it shakes me babe It's just a heartache that got cought in my eye and you know I never cry I never cry

Sometimes I drink more than I need Until the T.V.'s dead and gone I may be lonely but I'm never alone and the night may pass me by but I'll never cry

Take away take away my eyes Sometimes I'd rather be blind Break a heart break a heart of stone Open it up but don't you leave it alone

'Cause that's all I've got give to you believe me babe it ain't been used My heart's a virgin it ain't never been tried and you know I'll never cry and you know I'll never cry and you know you know you know I'll never cry, I'll never cry

Break a heart break a heart of stone Open it up but don't you leave it alone

'Cause that's all I've got give to you believe me babe it ain't been used My heart's a virgin it ain't never been tried and you know I'll never cry and you know you know you know you know I'll never cry, I'll never cry
