## Alice Cooper, Killed By Love

I've got more to lose, more to lose than you Cause I'm the only one in love between us too I know that I've been struck by lightning from above Cause I've been killed by love

I got a longer fall, a longer fall to take Cause I'm a bigger fool with a bigger heart to break You pushed me way to far, a push became a shove And I was killed by love

Drop me off in a crowded lonely city Everybody there was crying Drop me off in a town without pity And let me be the one that's dying

Killed by love Killed by love Killed by love Oh bye bye love

Ha ha ha ha

Killed by love (killed by love) Killed by love (killed by love) Killed by love (killed by love) Oh bye bye love (oh bye bye)

Killed by love oh yeah
Killed by love, I'm thinking fast baby
Killed by love, you know you're killing me baby
Baby, baby
Oh bye bye love
