Alice Cooper, Lace And Whiskey

I find myself running in circles Lost and half insane And I need a cure sometimes

To knock out the pain

So I yell out for some kind of angel

To come down and rescue me

Be as soft as you can

Put a drink in my hand

I'm as scared as I ever could be

Gimme lace and whiskey

Mamas home remedy

Double indemnity

Fills me with ecstasy

La-aa-aace and whiskey

Lots of things I really want here

Lots of things I really need

There's an animal soul inside

That I've gotta feed

My hot mamas feminine body (??)

Always gets a rise from me

She's so soft in my hands

I give her all she can stand

Make a full fledged man outta me

Gimme lace and whiskey

Mamas home remedy

Double indemnity

Fills me with ecstasy

La-aa-ace and whiskey

La-aa-ace and whiskey

I ain't hard assed

So babe don't make me mean

I want a hot place

To go and show you things

Gimme lace and whiskey

Mamas home remedy

Double indemnity

Fills me with ecstasy

La-aa-ace and whiskey

I'll end up a broken old hobo

With red and yellow eyes

Swear' and drunk and dyin'

But no ones surprised

That's a long long way from today babe

As far as I can see

So shake off your shoes

Go and get me my booze

Lay your love and your laces on me

Gimme lace and whiskey

Mamas home remedy

Double indemnity

Fills me with ecstasy

La-aa-ace and whiskey

La-aa-ace and whiskey

La-aa-ace and whiskey

La-aa-ace and whiskey
