

# Alice Cooper, Lay Down And Die Goodbye

Beautiful flyaway  
Somewhere like Holy Days  
Wonder what brought me back to earth  
Havent I always been here  
Lets have another nibble  
Later I think Ill disappear into the bishops hall  
And take a look at what we offer  
DDT poisoning me changing my relativity  
Whats it going to be  
da da da da d-da  
Later I think Ill disappear into another room  
And take a look inside the till  
Lovel days, human ways, journeys that take us to the end  
Aah...  
Havent we always been here  
Sharing one love and one fear  
Some day youll know that life is really, really all about you  
So come and look inside  
Youll be surprised to find  
Later I think Ill disappear into another womb  
And take a look inside the mens room  
Havent I given you everything that I could give  
Where do you live  
Aah...  
[Tom Smothers]  
You are the only censor.  
If you dont like what I say, you have a  
choice. You can turn me off..  
(chainsaw sound)  
[Tom Smothers]  
If you dont like what I say, you have a choice.  
You can turn me off..  
Well Ive written home to mother  
The ink ran from my tear  
I said &quot;Momma, momma please  
Tell me why you bore me&quot;
