

# Alice Cooper, Mr. And Misdemeanor

Mr. and Misdemeanor  
Middle of the roaders  
Set beside the ocean  
Landscapes an' laws agoshin'  
Who put all of this in motion  
Lucky Luciano  
Kenneth Pasarelli  
You take the modern mosquito  
To every big city  
I sit beside Misdemeanor  
Here's new pretties for you

Nobody likes me, but we adore you  
da da d-da da, yeah yeah yeah yeah

[Cheers]

Nasty Misdemeanor  
Kickin' in the windows  
Parked beside the ocean  
Landscapes an' laws agoshin'  
Who put all of this in motion
