

Alice Cooper, Only Women Bleed (Live)

Man's got his woman to take his seed
He's got the power, yeah and she's got the need
She spends her life through pleasing up her man
She feeds him dinner or anything she can
She cries alone at night too often
And I smoke and drink I don't come home at all
Only women bleed
Only women bleed
Only women bleed
Only women bleed
And man makes your hair gray, I'm your life's mistake
All you're really lookin' for is an even break
I lie right at her you know you hate this game
I slaps her once in a while she live and love in pain
She cries alone at night too often
And I smoke and drink I don't come home at all

Only women bleed
Only women bleed
Only women bleed
Only women bleed
Black eyes all of the time don't spend a dime
Clean up this grime and you there down on your knees
Begging me please come watch me bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed
Only women bleed
