

Alice Cooper, Rock & Roll

Jenny said: when she was just 5 years old
There was nothing happening at all
Every time she turned on the radio
There was nothing' goin' down at all

Then one mornin'
On a Detroit station
Couldn't believe what she heard at all
She started shakin' to that fine fine music
Her life was saved by rock & roll

Despite all the amputations
You could just dance to that rock 'n' roll station
And it was alright
(it's alright)
It was alright
(it's alright)
Yeah, it was alright
(it's alright, alright)
