

# Alice Cooper, Sister Sara

Now I dont know  
but Ive been told  
theres an nun having fun  
and she lost her soul  
shes got cash,  
she got laid  
now shes dealin with me  
and shes gonna get paid  
she got caught with the bishop  
she got caught wirth the abbot  
even cardinal sin tried to feed her habit  
now we get whores  
an pimps and skanks  
but when your judgement came down  
even he gave thanks  
whatever happend to me  
cant remember my name  
flying so high on angelic wings  
flew too close to the flame

(Chorus)

sister sara  
its your penalty for eternity  
did you think that  
you were saved  
you forget your old identity  
who you used to be  
sister sara  
so depraved  
well be together  
oh, come ye faithless,  
get in line  
youre gonna drown in the water  
torn to wine  
and youre all going to wallow  
when you sin and shame  
you had every opportunity  
to call his name  
dont look surprised  
dont be in shock  
youll be a lovely little demon  
in my private stock  
Im just doing my job  
to pull you down  
cuz Its a one way ticket  
down to dragontown  
you got caught in my web  
you made your own bed here  
and now you must keep me well fed  
yourre mine  
too bad  
yourre here for me  
yourre just here for me
