

# Alice Cooper, Wake Me Gently

I was scared to death  
Afraid to close my eyes  
And find that I was gone  
Like every other one  
Who left before the dawn  
I vanished in the air  
Am I still there  
Wake me gently  
If you can  
Wake me gently  
Just touch my hand  
Wake me gently  
Pull my sleeve  
'Cuz where I'm at  
Is where I wanna leave  
And in my sleep  
I look so lifeless on this bed  
Laid out on satin sheets  
This dream's a novel  
That I don't dare complete  
No happy ending read  
I think the hero's dead  
Wake me gently  
If you can  
Wake me gently  
Just touch my hand  
Wake me gently  
Pull my sleeve  
'Cuz where I'm at  
Is where I wanna leave  
Me to my slumber

And I never come home  
Please help me, I'm frightened  
Of what's going on  
What's going on  
And if I can't wake up  
Will I be all alone  
A stranded orphan here  
Or will I bump into  
Some other wandering soul  
And will talk to me  
Somebody, somebody please rescue me  
Wake me gently  
If you can  
Wake me gently  
Just touch my hand  
Wake me gently  
Pull my sleeve  
'Cuz where I'm at  
Is where I wanna leave  
I wanna leave  
I wanna leave  
I wanna wake up  
I wanna leave  
I don't wanna stay  
I wanna leave  
I wanna go  
I wanna go home  
I wanna go home  
Just wake me up  
I wanna go home  
Wake me up, please  
'Cuz I wanna go home

Wake me  
Wake me
