Alice Cooper, We Gotta Get Out of This Place

In this dirty old part of the city
Where the sun refused to shine
People tell me there ain't no use in tryin'
Now lil' girl you're so young and pretty
And one thing I know is true
You'll be dead before your time is due, I know
See my daddy in bed, he's dyin'
Yeah, his hair been turnin' grey
He been workin' and slavin' his life away
I know
We gotta work, yeah
Work yeah
Work yeah
We gotta work, work, work, work
We gotta get out of this place
If it's the last thing we ever do
We gotta get out of this place
Girl, there's a better life for me and you
I know it's true
My little girl you're so young and pretty
And one thing I know is true
You'll be dead before your time is through, I know
Watching my daddy in bed he's dyin'
You know his hair been turnin' grey
He's been slavin' and workin' his life away
Yeah I know
That we gotta work, yeah
Work
We gotta work
We gotta work, work, work, work
We gotta get out of this place
If it's the last thing we ever do
We gotta get out of this place
Girl, there's a better life for me and you
We gotta get out of this place
If it's the last thing we ever do
We gotta get out of this place
Girl, there's a better life for me and you
And you know it's true
