Alice Cooper, You And Me [Single Version]

When I get home from work Wanna wrap myself around you I wanna take you and squeeze you Till the passion starts to rise I wanna take you to heaven That would make my day complete But you and me ain't no movie stars What we are is what we are We share a bed, some lovin' and TV, yeah And that's enough for a workin' man What I am is what I am And I tell you, babe Well, that's enough for me Sometimes when you're asleep And I'm just starin' at the ceiling I wanna reach out and touch you But you just go on dreamin' If I could take you to heaven That would make my day complete 'Cause you and me ain't no movie stars What we are is what we are I tell you sweetheart that's just enough for me You and me ain't no super stars What we are is what we are We share a bed, popcorn and TV, yeah But that's enough for a workin' man What I am is what I am And I tell you, babe You're just enough for me When I get home from work I wanna wrap myself around you I like to hold you squeeze you Till the passion starts to rise I wanna take you to heaven That would make my day complete
