

# Alice Cooper, You Gotta Dance

We like to throw our bodies around  
We like to feel each other  
We're all slaves when we hear that sound  
Says dance  
Says dance  
Says ya gotta dance  
Says dance  
And there ain't no two ways about it  
We're all compelled to rise and thrust  
When we all move together  
We're hypnotized with savage lust  
Says dance  
Says dance  
Says ya gotta dance  
Says dance  
I'm so hot it makes me shiver  
Makes me wet  
Makes me slide  
It's some spirit I'm possessed by  
I can't stop  
We just got to dance  
Dance  
Dance  
We gotta blow when we says blow  
And we gotta shake and shimmy  
We got the strings tied to our soul  
Says dance  
Says dance  
Says we gotta dance  
(And I don't mean tomorrow)  
Says dance
