

Alicia Keys, A Woman's Worth

You could buy me diamonds
You could buy me pearls
Take me on a cruise around the world
Baby you know I'm worth it
Dinner lit by candles
Run my bubble bath
Make love tenderly to last a lifetime
Baby you know I'm worth it

Wanna please, wanna keep, wanna treat, your woman right
Now just don't, better show that she is worth your time
You will lose if you choose to refuse to put her first
She will if she can't find a man who knows her worth

'Cause a real man knows a real woman when he sees her
And a real woman knows a real man ain't afraid to please her
A real woman knows a real man always comes first
A real man just can't deny a woman's worth

Mmmhmhmmmm...

Hold up
'Cause if you treat me fairly I'll give you all my goods
Treat you like a real woman should
Baby I know you're worth it
If you never play me promise not to blow off
I'll hold you down when shit gets rough
'Cause baby I know you're worth it

She walks the mile, makes you smile, all the while being true
Don't take for granted the passion she has for you
You will lose if you choose to refuse to put her first
She will if she can't find a man who knows her worth

'Cause a real man knows a real woman when he sees her
And a real woman knows a real man ain't afraid to please her
A real woman knows a real man always comes first
A real man just can't deny a woman's worth

No need to read between the lines, spelled out for you
Just hear this song cause you can't go wrong with your values
A woman, woman, woman, woman's worth

'Cause a real man knows a real woman when he sees her
And a real woman knows a real man ain't afraid to please her
A real woman knows a real man always comes first
A real man just can't deny a woman's worth

Mmmhmhmmmm...
