

Alicia Keys, A Woman's Worth (Live)

You could buy me diamonds, you could buy me pearls
Take me on a cruise around the world
Baby, you know I'm worth it
Dinner lit by candles, run my bubble bath
Make love tenderly to last and last
Baby, you know I'm worth it
Wanna please, wanna keep, wanna treat your woman right?
Not just dough, better show, that you know she's worth your time
You will lose, if you choose, to refuse to put her first
She will and she can find a man who knows her worth
'Cause a real man knows a real woman, when he sees her
And a real woman knows a real man, ain't afraid to please her
And a real woman knows a real man, always comes first
And a real man just can't deny, a woman's worth
'Cause if you treat me fairly, I'll give you all my goods
Treat you like a real woman should
Baby, I know you're worth it
And if you never play me, now don't you bluff
I'll hold you down when shit gets rough
Baby, you know you're worth it
She walks the mile, makes you smile, all the while being true
Don't take for granted the passions that she has for you
You will lose, if you choose, to refuse to put her first
She will and she can find a man who knows her worth
'Cause a real man knows a real woman, when he sees her
And a real woman knows a real man, ain't afraid to please her
And a real woman knows a real man, always comes first
And a real man just can't deny, a woman's worth
