

Alicia Keys, A Women's Worth

You could buy me diamonds
You can buy me pearls
Take me on a cruise around the world
Baby, you know I'm worth it
Dinner lit by candles
Run my bubble bath
Make love tenderly to last and last
Baby, you know I'm worth it
Wanna please, wanna keep, wanna treat your woman right?
Not just dough, better show that you know she's worth your time
You will lose if you choose to refuse to put her first
She can and she will find a man who knows her worth
'Cause a real man knows a real woman when he sees her
(When he sees her)
And a real woman knows a real man ain't 'fraid to please her
(Please her)
And a real woman knows a real man always comes first
(First)
And a real man just can't deny a woman's worth
(Hold up)
If you treat me fairly
I'll give you all my goods
Treat you like a real woman should
Baby, I know you're worth it
If you never play me
Promise not to bluff
I'll hold you down when it gets rough
Baby, I know you're worth it
She walks the mile, makes you smile, all the while, being true
Don't take for granted the passions that she has for you
You will lose if you choose to refuse to put her first
She will and she can find a man who knows her worth, oh
'Cause a real man knows a real woman when he sees her
(When he sees her)
And a real woman knows a real man ain't afraid to please her
(Please her)
And a real woman knows a real man always comes first
(First)
And a real man just can't deny a woman's worth
No need to read between the lines spelled out for you
Just hear this song 'cause you can't go wrong
When you value a woman's, woman's, woman's, woman's worth
'Cause a real man knows a real woman when he sees her
(When he sees her)
And a real woman knows a real man ain't afraid to please her
(Please her)
And a real woman knows a real man always comes first
(First, baby)
And a real man just can't deny a woman's worth
'Cause a real man knows a real woman when he sees her
(When he sees her)
And a real woman knows a real man ain't afraid to please her
(Please her)
And a real woman knows a real man always comes first
(First, baby)
And a real man just can't deny a woman's worth
Cherish that woman
You better please that woman
Ooh yeah
