Explain your status  
You know I see you time to time  
You seem available

Them other dudes is okay  
But Im feeling you  
Want you in the best way  
Whatchu gonna do about it  
Why dont you just test me  
You wont wanna do without it  
Now Im comin at ya hard meeting a thug

Always my shit tight  
Hair done outfit crazy  
Skirt fit just right  
Wife beater with a banging tan  
Walk in demanding all eyes  
Baby here I am  
aint ashamed of my frame and I know you watching  
Putting on a show for you poppin I aint stopping  
A lot of action in your corner  
Yeah you on it to  
Only thing that make it better though  
Is me with you  
And I know you feeling that  
Regardless of your frontin  
And I heard through the streets

Let me find out you shy uh huh  
But I know you're not  
So stop the games  
Your approach says your really not
