

# Alicia Keys, Girlfriend

Baby, silly for me to feel this way about you and her  
Cuz I know she's been such a good friend  
I know she has helped you through

Talkin late on the phone  
Every night you've been callin  
Private moments alone  
And your heart soon be fallin  
And I know she's a friend  
But I can't shake the feeling  
That I could be losing your heart

I think I'm jealous of your girlfriend  
Although she's just a girl that is your friend  
I think I'm jealous of your girlfriend  
She shares a special part of you

You said that she's one well to see  
How deep you're in love with me  
And intentions were not to get inbetween  
But I see possibilities

And you say that you feel  
I'm the best thing in your life  
And I know it's real  
I see it in your eyes  
There's no reason for me, to even feel this way  
I know you just enjoy her company

I think I'm jealous of your girlfriend  
Although she's just a girl that is your friend  
I think I'm jealous of your girlfriend  
She shares a special part of you
