Alicia Keys, How Come You Don't Call Me

But all I wanna know baby is If what we had was good

I keep your picture beside my bed And I still remember everything you said I always thought our love was so rare, I guess I was wrong Always thought you'd be by my side, Papa, now you're gone (And I'm not tryin' to hear that sh*t)

What I wanna know baby If what we had was good How come you don't call me anymore

Still light the fire on the rainy night Still I envision you holding me tight Everybody say Everybody say that we should never part Tell me baby, baby, baby, why Why you wanna go and break my heart

What I wanna know baby If what we had was good How come you don't call me anymore Sometimes it feels like I'm gonna die If you don't call me, Papa Oh, you gotta try

I'll get down on my knees Hoping you please Oooh, won't you call me sometime, Papa

Why on earth Can't you just pick up the phone You know I don't like to be alone

How come you don't call me How come you don't call me
