## Alicia Keys, If I Ain't Got U

Some people live for the fortune Some people live just for the fame

Some people live for the power, yeah

Some people live just to play the game

Some people think

That the physical things

Define what's within

And I've been there before

That life's a bore

So full of the superficial

Some people want it all

But I don't want nothing at all

If it ain't you, baby

If I ain't got you, baby

Some people want diamond rings

Some just want everything

But everything means nothing

If I ain't got you, yeah

Some people search for a fountain

Promises forever young

Some people need three dozen roses

And that's the only way to prove you love them

And in a world on a silver platter

And wondering what it means

No one to share but no one who truly cares for me

Some people want it all

But I don't want nothing at all

If it ain't you, baby

If I ain't got you, baby

Some people want diamond rings

Some just want everything

But everything means nothing

If I ain't got you, you, you

Some people want it all

But I don't want nothing at all

If it ain't you, baby

If I ain't got you, baby

Some people want diamond rings

Some just want everything

But everything means nothing

If I ain't got you, yeah

If I ain't got you with me, baby oh

Said nothing in this whole wide world don't mean a thing

I ain't got you with me, baby
