

Alicia Keys, If I Ain't Got You (Remix)

(feat. Kanye West)

Boy I said it once before
But baby Im just making sure
I know that there is nothing more than you
So they can take it all away
I dont need it anyway
I just want another day with you

Some people just dont know what they have
But boy Im so glad I got you
Some people say they search all their life
But boy its so nice I found you

Some people want it all
I dont want nothing at all
If it aint you baby
If I aint got you baby
Some people want diamond rings
Some just want everything
It means nothing nothing
If I aint got you

Ooh, you you you
Ooh, you you you
Ooh, you you you, you you you, you you you

So people looking forward to
The things they cant afford to do
All Im looking forward to is you
You could never sacrifice
Boy you know Im really fine
I would even give my life for you

Some people just dont know what they have
But boy Im so glad I got you
Some people say they search all their life
But boy its so nice I found you

Some people want it all
I dont want nothing at all
If it aint you baby
If I aint got you baby
Some people want diamond rings
Some just want everything
It means nothing nothing
If I aint got you

Ooh, you you you
Ooh, you you you
Ooh, you you you, you you you, you you you

Ooh, you you you
Ooh, you you you
Ooh, you you you, you you you, you you you

[SPOKEN:]

Uh, yeah
Thats how I feel
I wanna say more but
The last record I did with Kanye
Talked your ear off so
All I wanna say is

Baby, baby
Nothing in this whole wide world
Dont mean a thing
I aint got you with me

Some people want it all
I dont want nothing at all
If it aint you baby
If I aint got you baby
Some people want diamond rings
Some just want everything
It means nothing nothing
If I aint got you

Ooh, you you you
Ooh, you you you
Ooh, you you you, you you you, you you yo
