Miscellaneous  
If I Were Your Woman  
ay yo moe b  
drop it on me  
yeah yeah yeah yyeah yeah

if I were your woman  
and you were my man  
you'd have no other woman  
you'd be weak as a lamb  
if you had the strength  
to walk out my door  
my love would overrule my sins  
and i'll call you back or more

(chorus)  
if I were your woman  
If i were your woman  
and you were my man  
yeah

she tears you down darling  
says your nothing at all  
but I'll pick you up darling  
when she lets you fall  
cause your like a diamond shining  
but she treats you like glass  
yet you beg her to love you  
but me you won't ask

(chorus)  
life is so crazy  
and love is unkind  
because she was first darling  
will she hang on you mind  
your apart of me  
but you don't even know it  
I'm what you need  
but I'm to afraid to show it

(chorus)  
if I were your woman  
If i were your woman  
if I were your woman  
If i were your woman  
If i were your woman  
heres what I do  
I never ever no no stop loving you
