

Alicia Keys, Karma-(L)

Weren't you the one that said
That you don't want me anymore
And how you need your space
And give the keys back to your door
And how I cried and tried and tried
To make you stay with me
But still you said that love was gone
And that I had to leave
Now you, talkin' 'bout a family
Now you, sayin' I complete your dream, yeah
Now you, sayin' I'm your everything
You confusin' me, what you say to me
Don't play with me, don't play with me
'Cause what goes around, comes around
What goes up, must come down
Now who's cryin', desirin' to come back to me
What goes around, comes around
What goes up, must come down
Now who's cryin', desirin' to come back
I remember when, I was sittin' home alone
Waitin' for you 'til 3 O'clock in the morn
And when you came home
You'd always have some sorry excuse
And fix me
Like I'm just some kind of fool
I sacrifice the things I want just to do things for you
But when it's time to do for me, you never come through
Now you, wanna be a bond of me
Now you, have so much to say to me
Now you, wanna make time for me
You confusin' me what you say to me
Don't play with me, don't play with me
'Cause what goes around, comes around
What goes up, must come down
Now who's cryin', desirin' to come back to me
What goes around, comes around
What goes up, must come down
Now who's cryin', desirin' to come back
