

# Alicia Keys, Medley: If I Was Your Woman/Walk On

[Verse I:]

If I was your woman  
And you were my man  
You'd have no other woman  
You'd be weak as a lamb  
If you had the strength  
To walk out my door  
My love would over rule my sense  
And I'd call you back for more

[Chorus:]

If I was your woman  
If I was your woman  
If I was your woman  
If I was your woman  
And you were my man, yeah

[Verse II:]

She tears you down darlin  
Says you're nothing at all  
But I'll pick you up darlin  
When she lets you fall cause  
You're like a diamond  
But she treats you like glass  
Yet you beg her to love you  
But me you won't ask

[Chorus:]

If I were your woman  
If I was your woman  
If I were your woman  
If I was your woman  
If I were your woman  
If I was your woman

Here's what I'd do  
I'd never, never no no  
Stop loving you, yeah

[Verse III:]

Life is so crazy  
And love is unkind  
Because she was first darlin'  
Will she hang on your mind?  
You're part of me  
But you don't even know it  
I'm what you need  
But I'm too afraid to show it

[Chorus:]

If I were your woman  
If I was your woman  
If I were your woman  
If I was your woman  
If I were your woman  
If I was your woman  
Here's what I'd do

I'd never, never no no  
Stop loving you, yeah  
If I was your woman  
Here's what I'd do  
I'd never, never, never  
Stop loving you, yeah

[Bridge:]

If I were your woman  
If I were your woman  
If I was your woman  
If I was your woman  
If I were your woman
