

# Alicia Keys, Nobody Not Really (Interlude)

Who really cares? Who really cares?  
When I talk, what I feel  
What I say  
Nobody not really  
Who wants to take, the time to understand  
I would like someone to heal me with some empathy  
But I can't find  
Nobody not really  
Maybe I'm invisible to the world  
Does anyone in the world even think of me?  
As more than just a hopeless cause  
Maybe the world is not my block  
My stoop, my life  
My dreams, my anything, anything  
Who wants to help? Mama, but she's so tired  
Papa, but you're not here  
I'm alone in a big empty space with  
Nobody not really
