

# Alicia Keys, Pray For Forgiveness

[\*\* iTunes Deluxe Edition Bonus Tracks:]

Beautiful garden, where have you gone?  
My self delusions are leaving me in the storm  
Taking for granted, all the goodness that I've found  
Somewhere I lost all, the control came crashing down  
And I pray for forgiveness  
Look for the answer  
Cause it's hard  
For me to pretend  
Look to my mother  
Call to the captain  
Can't you see  
This state that I'm in  
No one would notice  
Nobody noticed  
Cause it's me where it began  
Beautiful morning, please don't wake me from my sleep  
Cause I need some comfort, to regain my sanity  
? I don't want to feel this crazy,  
I don't want to feel this heartache  
?  
I'm so broken hearted  
No where left to run  
No where left to go  
So I hope  
I pray for forgiveness  
Look for the answer  
Cause it's hard for me to pretend

Look to my mother  
Call to the captain  
Can't you see  
This state that I'm in?  
And no one would notice  
Nobody noticed  
That it's me, where it began  
And I pray for forgiveness within  
I swear that everyday I feel like my mind is haunting me  
I think of every little stupid mistake that is made  
This time I'll have the strength to gather myself  
I'm falling to pieces  
And I pray for forgiveness  
Look for the answer  
Cause it's hard for me to pretend  
Look to my mother  
Call to the captain  
Can't you see  
This state that I'm in  
Pray for forgiveness  
Looking for justice  
Searching for answers  
Call to my mother  
Pray for forgiveness  
Breaking the silence  
Nobody knows it, nobody noticed  
That's it me  
Where it began
