

Alicia Keys, Sweet Music

One of these days im gonna wake up,
Skies gonna be blue,
One of these days im gonna wake up,
To a sun shinning through,
One of these days, this song is gonna be true,
And the world, the world
Is gonna be brand new

One of these days im goona wake up,
And im gonna feel fine,
One of these days im gonna wake up,
And my dreams are gonna be mine,
One of these days, this song is gonna be true,
And the world, the world
Is gonna be brand new

It's gonna sound like music,
Oh sweet music,
And everybodys is gonna want,
To sing along,
It's gonna sound like music,
Oh sweet music,
And everybody in the world,

Is gonna sing this song

They gonna say la,la-la,la-la,la,la,
la-la,la-la,la,la,la-la,la-la,la,la,la-la.

One of these days, im gonna wake up,
And im gonna be free,
One of these days, im gonna wake up,
Break these chains holding me,
One of these days,
This song is gonna be true,
And the world, the world,
Is gonne be brand new

It's gonna sound like music,
Oh sweet music,
And everybodys gonna want,
To sing along,
It's gonna sound like music,
Oh sweet music,
And everybody in the world
Is gonna sing my song

Repeat the la la
