

# Alicia Keys, Tears Always Win

These covers may keep me warm at night  
But they can't take your place  
'Cause they'll never gonna hold me tight

These pillows may let me rest my head  
But they can't say goodnight  
And tuck me in before I go to bed

Saying oh, baby girl, you better hope  
That's what I'm telling myself  
But, I'm lying to myself  
'Cause I know I don't want nobody else

These lips are missing you  
'Cause these lips ain't kissing you  
These eyes put up a fight  
But once again, these tears always win

These arms are wanting you  
'Cause these arms ain't holding you  
These eyes put up a fight  
But once again, these tears always win

These candles light up my room at night  
But they can't lit the room the way you did  
When you walked inside, baby

If these walls could sing  
About everything they witnessed  
It'd be a sad, sad song  
And it'd probably sound something like this

Saying oh, baby girl, you better hope  
That's what I'm telling myself  
But, I'm lying to myself  
'Cause I know I don't want nobody else

These lips are missing you  
'Cause these lips ain't kissing you  
These eyes put up a fight  
But once again, these tears always win

These arms are wanting you  
'Cause these arms ain't holding you  
These eyes put up a fight  
But once again, these tears always win

Tell me when the hell this loneliness is gonna be over  
When everything in this room reminds me of you  
Every time I think I'm getting closer  
These tears dry me, and out once again I notice

These lips are missing you  
'Cause these lips ain't kissing you  
I put up a fight  
But once again, these tears always win

These arms are wanting you  
'Cause these arms ain't holding you  
These eyes put up a fight  
But once again, these tears always win

These eyes put up a fight  
But once again, these tears always win

These eyes put up a fight  
But once again, these tears always win  
These eyes put up a fight  
But once again, these tears always win
