

# Alicia Keys, Try Sleeping With A Broken Heart

Even if you were a million miles away&lt;br /&gt;  
I could still feel you in my bed&lt;br /&gt;  
Near me, touch me, feel me&lt;br /&gt;  
&lt;br /&gt;  
And even at the bottom of the sea&lt;br /&gt;  
I could still hear it inside my head&lt;br /&gt;  
Telling me, touch me, feel me&lt;br /&gt;  
And all the time, you were telling me lies&lt;br /&gt;  
&lt;br /&gt;  
So tonight, I'm gonna find a way to make it without you&lt;br /&gt;  
Tonight, I'm gonna find a way to make it without you&lt;br /&gt;  
I'm gonna hold on to the times that we had&lt;br /&gt;  
Tonight, I'm gonna find a way to make it without you&lt;br /&gt;  
&lt;br /&gt;  
Have you ever tried sleeping with a broken heart?&lt;br /&gt;  
Well, you could try sleeping in my bed&lt;br /&gt;  
Lonely, own me, nobody ever shut it down like you&lt;br /&gt;  
&lt;br /&gt;  
You are the clown, you made my body feel heaven bound&lt;br /&gt;  
Why don't you hold me, need me&lt;br /&gt;  
I thought you told me you'd never leave me&lt;br /&gt;  
&lt;br /&gt;  
Looking in the sky, I could see your face&lt;br /&gt;  
And I knew right where I fit in&lt;br /&gt;  
Take me, make me, you know that I'll always be in love with you&lt;br /&gt;  
Right 'til the end&lt;br /&gt;  
&lt;br /&gt;  
So tonight, I'm gonna find a way to make it without you&lt;br /&gt;  
Tonight, I'm gonna find a way to make it without you&lt;br /&gt;  
I'm gonna hold on to the times that we had&lt;br /&gt;  
Tonight, I'm gonna find a way to make it without you&lt;br /&gt;  
&lt;br /&gt;  
Anybody could've told you right from the start it's about to fall apart&lt;br /&gt;  
So rather than hold on to a broken dream, I'll just hold on to love&lt;br /&gt;  
And I could find a way to make it, don't hold on too tight&lt;br /&gt;  
I'll make it without you tonight&lt;br /&gt;  
&lt;br /&gt;  
So tonight, I'm gonna find a way to make it without you&lt;br /&gt;  
Tonight, I'm gonna find a way to make it without you&lt;br /&gt;  
I'm gonna hold on to the times that we had&lt;br /&gt;  
Tonight, I'm gonna find a way to make it without you
