

Alicia Keys, Un-thinkable (I'm Ready)

Moment of honesty,
Someone's gotta take the lead tonight.
Who's it gonna be?
I'm gonna sit right here and tell you
All that comes to me and if you have something to say,
You should say it right now (you should say it right now).
(You ready?) you give me a feeling that I never felt before...
And I deserve it, I think I deserve it.
It's becoming something that's impossible to ignore.
And I can't take it.

[Chorus:]

I was wondering maybe... could I make you my baby?
If we do the unthinkable, would it make us look crazy?
If you ask me, I'm ready. If you ask me, I'm ready.
I know you were sent to me.
This is exactly how it should be when it's meant to be.
Time is only wasting so why wait for eventually.
If we gonna do something bout it,
We should do it rite now (we should do it right now)
You give me a feeling that I never felt before... and I deserve it,
I know I deserve it. It's becoming something that's impossible to ignore.
It is what we make it.

[Chorus:]

I was wondering maybe... could I make you my baby?
If we do the unthinkable, would it make us look crazy?
Would it be so beautiful, either way I'm saying. If you ask me, I'm ready.
If you ask me, I'm ready.
Why give up before we try?
Feel the lows before the highs.
Clip our wings before we fly away.
I can say I came prepared.
I'm suspended in the air.
Won't you come be in the sky with me?

[Chorus:]

I was wondering maybe... could I make you my baby?
If we do the unthinkable, would it make us look crazy?
Would it be so beautiful, either way I'm saying.
If you ask me, I'm ready. If you ask me, I'm ready.
If you ask me, I'm ready. If you ask me, I'm ready.
