Alicia Keys, We Gotta Pray

We've got to pray
We've got to pray
We've got to pray
Pray for the world tonight
We've got to save
Somebody save somebody tonight

Fire in the air, what the hell goin' on?
Sirens everywhere, singin' that street song
Violence everywhere, barely holdin' on
What the hell goin' on?
Do you know who you are?
Do you know who we are?

We're the extraordinary people
Leaving in the ordinary life
For ask ordinary question
No fight
So we've got to pray
Pray for the love tonight

Another day
Pray for another try

Smoke is in the sky, what the hell goin' on?
Bullets is gonna flight
 Tryin' not to cry, barely holdin' on
What the hell goin' on?
Do you know who you are?
Do you know who we are?

We're the extraordinary people
Leaving in the ordinary life
For ask ordinary question
No wanna die
So we've got to pray
Pray for the love tonight

We've got to pray
We've got to pray
We've got to pray
We've got to pray
